

經濟學

Grades)

Below are Midterm Exam, Final Exam, HW1 and HW2 scores for both my 經濟學 classes (管科系 and 保險系).

Please check your grades and if you have a problem, please contact 劉先生 immediately via email: chi.liu0408@gmail.com

In particular, check your **final exam** grade and **HW2** grade.

NOTE: Everyone who took the final exam had **25 points added** to their original score. For example, if you originally had a score of 65, your official final exam score is listed below as 90. Everyone had 25 points added to their final exam score, as long as you took the exam. Finally, if your final exam score exceeded 100 points the points over 100 will be added to your final course grade. For example, if you scored 110 on your final exam, your final exam will be reported to the university as 100. However, since the final exam counts for 50% of your grade you will have 5 points ($10 * 0.5$) added to your final course grade.
